A MESSAGE FROM Mr. Holding

Dear Theodore Judah Families,

It hard to believe that we are approaching the holiday season and the end of our first trimester is right around the corner! We have had an exciting, fun filled fall here at Judah and I would like to take this opportunity to highlight some of these celebrations. I am pleased to see that each grade level is using more SEL and UDL practices due to the purchase of two new computer carts. The school annual Harvest Festival was a great success thanks to our amazing PTA. It is important to remember that although these events aren't taking place on campus, we must be mindful of safety protocols. I have said before that although I can't be responsible for our actions outside of school, we need to be mindful, because they will have an impact back at our school.

As we enter the Thanksgiving holiday, I am reminded of how grateful I am to this community of staff members and families, partners and supporters who dedicate themselves every day to the mission and the work of the Judah community. It has been a year filled with many changes and uncertainties as we continued with reform efforts to ensure that all students in this district are offered a high quality education that prepares them for success in college or the workforce.

To our students and families: thank you for choosing Theodore Judah and for bringing to our community such diversity of talents, personalities, cultures, and accomplishments. We are so proud to serve your family and we look forward to building an even stronger relationship with you in support of our students. Our scholars seem so happy to be back at school!

I am humbled by this opportunity to serve this community as your principal. Enjoy your Thanksgiving break with your family and friends.

Respectfully,
Troy Holding
Proud Principal

PTA Funded Enrichment Programs

Students are attending Science Alive, Garden, and Art classes as part of the many enrichments that Judah offers at your neighborhood school. We are still looking for a Music teacher. Such great artwork is filling our hallway bulletin boards throughout our campus. These programs are fully sponsored by all the hard work and efforts of our school PTA. We appreciate all that you do!

November's Citizenship Theme: Gratitude

This month we recognize what it means to show gratitude. Someone who shows the character trait of gratitude recognizes with all honest and humbleness that there have been others who have helped them, encouraged them, and invested a part of themselves into their life, helping them to become the person of character they are today.

How do we instill this trait of gratitude into our children? Below are a few examples of things anyone can do:

- Verbalize our gratefulness to others. A heartfelt "thank you" is not only an appropriate thing to say, it also shows that you recognize their kindness.
- The art of writing "thank you" cards, letters, emails are another way of reinforcing the attitude of gratitude in our children.

ESSENTIAL VOLUNTEERS

We have posted vacant positions for yard/lunch duty supervision. Many schools are struggling with open staff positions at this time. If you would like to help out until we hire someone during our lunch hours, please let us know and we can talk about it.

Daily Attendance is Important

One of the basic foundations for success in school is regular school attendance. Additionally, teaching our children that regular attendance to school is important helps send the message that education is important. It also teaches the importance of keeping one's responsibilities. Our monthly attendance goal is 97%.

To that end, please be sure to stay home only when truly ill, or due to a real family need. See the attendance section in our school handbook for additional guidance. Remember to schedule appointments outside of the school day when possible, or to return to school when finished. Minimize early dismissals. Family vacations are not excused absences. Thanks to everyone for supporting daily attendance!
