 - *The individual will be sent home immediately.*
 - *A COVID Response team will conduct contact tracing for any close contacts.*

2. **Who will need to quarantine due to close contact?**

Modified Quarantine for STUDENTS

Students who are face masked with close contact exposure to COVID-19 at school may continue to attend:

Students who are FULLY vaccinated	Students with NO vaccination with indoor masking
<p>Students who provide verification of full vaccination are exempt from quarantine per CDPH.</p> <p>If students are experiencing symptoms they must stay home for 10 days or provide results of a negative test.</p> <p>Students who must quarantine at home will receive school work to complete independently.</p>	<p>Unvaccinated students may continue to attend schools if they:</p> <ul style="list-style-type: none"> ● Exhibit no symptoms ● Continue to wear a required mask ● Test twice weekly over the 10-day period ● Refrain from extracurricular activities <p>Students who do not consent or adhere to these requirements, or who fail to wear a mask, will be required to quarantine at home for a 10-day period and will receive school work to complete independently.</p>

3. If my child is sick, when can they return to campus?

Return to School/ Work Guidelines

Return Guidelines:

- At least 24 hours with no fever (without taking medicine)
 - AND
- Symptoms have improved
 - AND
- You have a negative COVID test
 - OR
- A doctor has provided a note releasing back to work/school
 - OR
- At least **10 days** have passed since the day the symptoms first appeared

4. Does SCUSD offer vaccination clinics?

YES! SCUSD continues to host a series of vaccination clinics with Dignity Health, University of California Davis and other health partners to do our part in stopping the spread of COVID in our community. Upcoming clinics are listed [here](#).

5. Will there be COVID 19 surveillance testing on site again?

YES! SCUSD is utilizing two types of COVID tests. Both tests are self-administered nasal swabs, which means individuals use a long soft cotton swab to gently circulate in each nostril. These tests are simple enough for children to do themselves with a person instructing and observing.

- *PCR Testing is widely used and known as the most reliable test. Results are provided within 24-48 hours.*
- *Rapid antigen tests/BinaxNOW provides results within 15 minutes, however any positive test results must be confirmed with a PCR test.*

You can register for on-site testing [here](#).

9. Will the bell schedule be the same as our pre-pandemic bell schedule?

YES! You can find the bell schedule [here](#).

10. What will drop off look like?

It will look much like it did pre-pandemic. **ALL students need to be masked upon entering the school entrances.** If families wish to walk their child up to the door, they will need to be masked as well.

11. Breakfast and Arrival?

Students having breakfast are allowed on campus during breakfast hours from 7:30 AM to 8:00am. EK/Kinder students will be escorted from the cafeteria to their classrooms at 7:55 AM bell. If students are not having breakfast, they will be asked not to arrive to school before 7:45 AM. At that time they will be allowed in and report to their designated spots maintaining a 3ft distance with masks on. Teacher will greet them when the bell rings.

12. What will face masking look like during the day?

Mask Up!

Face Masks

- Face coverings are required indoor and outdoor
- District will provide face coverings for those who need it
- Face coverings may be removed to eat or drink (maintain physical distance as much as possible)
- Outside during activities that require close contact (i.e. lining up, passing period, athletics) face coverings must be worn

13. Are adult family members allowed on campus?

*Not at this time. We ask during drop-off/pick-up that you please wait outside the gates. There will be limited adult family volunteers on campus based on need. ALL volunteers must be fully vaccinated. **Fully Vaccinated** = The CDC and [CPDH](#) consider people fully vaccinated 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine.*

14. Will students still be health screened before entering campus like they were in the spring?

We are asking all families to self-screen at home by checking your child for the symptoms listed [here](#). We are also asking all students to be temperature checked by their adult family members every morning before entering campus to ensure a temperature below 100.4.

15. What will pick-up look like?

All students and staff will be masked for pick up. Students will be walked to the designated dismissal area based on who their teacher is.

- 11:20pm Pick up (Kinders/EK)
 - Front of Building Doors – Hein, Waldron
 - Kinder playground gate side – Ly, Wong
- 2:07pm Pick up (1st-3rd Grade)
Front doors and east doors near little library
- 2:17pm Pick up (4th-6th grades)
Same as above

16. What if my child rides their bike to school?

Students that ride bikes may park them in the bike rack at the east end entrance. Please be sure to have a lock as the school will not be responsible for stolen bikes. After school, students may retrieve their bikes and exit from their designated gates. Scooters must always be walked on school grounds and can safely be locked at the scooter rack in our quad area inside the school. No skateboards please. They are not allowed to be stored in classrooms.
